From a Carolinas Fire Page mailing list member: "Knotts Island VFD also serves Virginia (the northern tip of the island proper is Virginia) as it is much closer and faster than Virginia Beach FD Company 6 (Creeds) and they do run dual response. This is in reciprocation for covering the Gibbs Woods section of Knotts Island by VBFD Company 13 (Blackwater). Also, Knotts Island FD is numbered in accordance with the VBFD station numbering assignments as Company 15. If numbered with Currituck, they would be Company 8. KIFD is included in the VBFD roll call and they operate on both the Currituck VHF and the VBFD 800 radio systems.

Does anyone know about a newly formed FD in Burke County named Longtown, it is near Lake James? I know they have several trucks and a barn to keep them in, but unsure if they have had their OSFM 9S inspection to classify them as a VFD or if they have any volunteers yet.

This Charlotte Observer article from May 27, 2006 details the community's desire to create the department, <http://www.firerescue1.com/fire-news/105..>

Google Maps says their station is on 7765 South Mountain Institute Road in Nebo.

Secretary of State records say the department was incorporated on June 1, 2006.

This community newsletter has a picture of the station, <http://www.lakejamescustomhomesllc.com/p..>

Here's the article text:

Residents of 1780 and those living in the Longtown district have a new fire department. The Longtown Volunteer Fire Department is now responding to 9-1-1 calls. Longtown VFD is less than 2 miles from the main entrance of 1780 providing improved response time as compared to West End and Nebo VFD.

Richard Bristol serves as the new Fire Chief.

Chief Bristol served 10 years at the Lake James Volunteer Fire Department. The staffing includes seven paramedics, more than any other area VFD.

Longtown VFD's address: 7765 South Mountain Institute Road Nebo, NC 28761

The public is welcome to attend meetings held on the 1st Tuesday of each month. Special recognition goes out to the Women's Auxiliary which meets on the 2nd Tuesday of each month and "were tireless in their efforts" according to Longtown resident and Chairman Wynn Justice.

Thanks to Wynn and fellow Longtown resident Terry Fleming for providing this update.
