

**Mystery Law Enforcement (?) Vehicles**

05/19/13 104 W, 1 I - + 6 - 2

Seen on Glenwood Avenue this morning, inbound at Lead Mine Road. Colors are both dark blue and black. Not shown, leading the convoy, was a presumed comms truck, a mid-sized two-axle box truck (if recalled correctly) with what looked like a collapsed dish/antenna tower on top. Didn't have time to retrieve the real camera(s). USSS? Homeland? Military? Posting for collective interest, or at least until the blogger suffers the consequences of [insert favorite conspiracy theory outcome]. If this posting disappears, then this was just a figment of some guy's imagination. Please remember me well. Click to enlarge:
