

Improvised Whiteboard

05/23/13 98 W, 1 I - + 6 - 1

Saw this photo on Facebook, via the [Law Officer magazine page](#), via [their web site story](#), via an Associated Press story, about newly released photos from the January 2011 shooting scene in Tucson, AZ, that killed six people and wounded former U.S. Rep. Gabrielle Giffords. The Pima County Sheriff's Department on Tuesday released to the public some 600 images taken by investigators. Check out this improvised whiteboard. Don't know if the images have been posted/hosted in their entirety by anyone(s). That's probably its own legal (?), ethical, and practical dilemma.
