Several of these Rescue Squads are no longer in existence or merged with other agencies such as Avery Central RS merged with Linville RS to form Linville-Central RS. Others have changed missions such as the old High Point RS is now Piedmont Triad Ambulance & Rescue which now provides convalescent transport services for the most part. Very neat list Mike!

Long Acre Twp. VRS is long gone. And Long Acre Twp. VFD was merged with Pinetown VFD in recent years. I also believe Garner EMS and Rescue is completely defunct.

No rescue squads in Currituck County anymore. All rescues are performed by the 5 volunteer fire departments in the county, with transport provided by Currituck County EMS. Good list though Mike!

See folks, these are corporation names and statuses as recorded by the state. Does "active" mean that the corporation is still organizationally active? Not necessarily!

It just means the corporation still exists on paper.
