

Old Raleigh Mack in Smithfield

03/12/06 66 W, 2 I - + 19 - 13

A reader found one of Raleigh's old Macks in Smithfield, sitting behind a metal recycling plant on Brightleaf Boulevard. The 1973 Mack CF pumper last served as Engine 34, a reserve engine. It was sold as scrap in April 2004, though that fact is absent from [this historical page](#). D'oh! He also snapped some pics:
