

Wedding Dress + Platform Ladder

05/03/06 79 W, 1 I - + 16 - 16

My better half and I were wed in Las Vegas on Monday. After departing the Little Church of the West, we posed for some pictures beneath the famous [Welcome to Fabulous Las Vegas sign](#). From there, we went across the street to Clark County Station #11. You haven't lived till you've walked across the top of a platform ladder while wearing a tux (or, in her case, a wedding dress):

Great photo mike.....Must say i am jealous wish i done that with my wife
