

**Wake County Fire Departments - Charting Data**

02/01/13 506 W - + 5 - 4

For your Friday morning enjoyment, let's expand upon our [recently compiled run numbers](#) and chart more data about Wake County's fire departments. Add are stations, staffing, and special features and other things the departments do. It's a working list (and maybe rough in spots), so post or mail me corrections. Maybe we'll expand with other data points as available, as well. What's not charted? Aerial apparatus. First Responder or EMT levels. EMS providers (there are none, any more). EMS co-location. etc. [Here's a map](#), showing these departments.

Data last updated Feb. 6 at 0800

**Other Things They Do / Special Features**

ATV - All-Terrain Vehicle(s)

BF - Bulk Foam

CERT - Community Emergency Response Team

CSS - Child Safety Seat inspection

DT - Dive Team

EP - Explorer Post

FCE - Fire Code Enforcement. All others handled by contract/county, or another municipal department.

HM - Haz-Mat units or teams. Note Raleigh is contracted by county to provide haz-mat response to all departments in county include municipalities.

MA - Mobile Air unit or capabilities.

RRT - Member of NC regional haz-mat team.

TR - Trench rescue equipment

USAR - Member of NC USAR team

WT - Water tankers, including pumper-tankers (but not counting those big honkin' airport crash trucks)

WR - Water rescue equipment including boat(s).

---

Wake Forest has 4 stations and also has part time personnel.

**Marcus** - 02/01/13 - 07:38

Wake New Hope has water rescue also

**JDH** - 02/01/13 - 07:57

Morrisville is apart of NC USAR TF 4 along with Apex and Mooresville FD. BTW, that's not a typo.

**Spanky** - 02/01/13 - 21:01

Fuquay has a boat, and part-time personnel and all three stations are official child safety seat stations with techs.

**BamBam** - 02/01/13 - 21:05

Fuquay also homes Explorer post 722.

**BamBam** - 02/01/13 - 21:07

Holly Springs runs pumper tankers and has their own code enforcement. Durham Highway used to have a lot of water rescue equipment.

**BamBam** - 02/01/13 - 21:29

Stony Hill staff station 1 Monday thur Friday Between 0600 to 1800 with a Fulltime DC, Part time Capt, Part Time Eng, and a Part Time FF. Night and Weekend are covered by a Vol duty crew with an Eng, and 2 FF. Station 2 is staff with a Full Time 24hr Eng, (2)Full Time FF, and a Part Time Capt Monday thur Friday 0700 to 1800.

**NR** - 02/03/13 - 13:21

I have a question for Stony Hill: what is the purpose of a district chief when you only have one district? Aren't district chiefs usually implemented when there are multiple districts? Or is this position just a day-time supervisor? Just curious, thanks!

**PJ** - 02/03/13 - 15:59

Cary FD also has a CERT Team associated with it, as well as an ATV through the USAR program.

**CFD** - 02/03/13 - 17:11

You will have to ask Stony Hill but i know the DC works Monday thur Friday during the day. When the other Chief are at there fill time jobs but you would have to ask Chief Rich.

**NR** - 02/03/13 - 22:12

Durham Hwy is staff with a full time Capt, Eng, and FF and at night and weekend Vol duty crew.

**NR** - 02/03/13 - 22:19

It looks like you've all got Stony Hill more accurately coordinated than I do! Here's some clarification: We have a total of 10 FT employees. The District Chief works 8a-5p weekdays and is responsible for the leadership and delegated management of all paid staff (FT and PT). Also, the "District Chief" title is a "Wake County Compensation Guidelines" title; otherwise we would title it Battalion Chief. Station #2 has 3FT 24hr personnel (Eng, 2 FF's) and a PT Capt. during the weekdays. Yes, we have a place for you! Come on up and join us as a volunteer!

**A.C. Rich** - 02/04/13 - 16:26

Anyone have a breakdown of the county funded positions and who has what? For example; ABC F.D. has 3 fulltimers per day (9 total, working 24 hr shifts) at Station 1 and 2 fulltimers (8-5 during the week) at Station 2.
