Legeros Fire Blog Archives 2006-2015 - Aurora Fire Department Century Theater Shooting Report

Aurora Fire Department Century Theater Shooting Report

From a reader, here's the preliminary incident analysis by the Aurora Fire Department in Colorado of the Century Theater Shooting on June 20, 2012. Twelve people killed and seventy people were transported after a gunman opened fire at a movie theater, during a midnight movie showing. The report is linked from this Denver Post story from a couple weeks ago. Thanks, Barry.
