

Tree That Was Struck by Lightning

05/24/13 67 W, 1 I - + 5 - 1

Here's something that you don't see every day, a tree that was struck by lightning at the scene of a structure fire. The lightning strike also started the two-alarm apartment fire on Calumet on Tuesday. See more photos from the scene [from Lee Wilson](#), as well the shots [by Mike Legeros](#). Read prior posting [about the incident](#).

After being blown back into my house when lightning struck a tree just off the porch, I have no desire to be anywhere near a lightning strike. Ugh.
