

This Morning's Apparatus Accident in Orange County

01/14/15 80 W, 2 I - + 8 - 5

Also this morning, Orange Rural Fire Department Engine 232 overturned on Phelps Road at Mason Keyon Road. (Or was that Engine 233, a 2000 KME pumper-tanker?) It was responding to a motor-vehicle accident. The accident occurred less than a mile from Station 2, which is located at 835 Phelps Road. There were no injuries to the firefighters aboard.
