

High Point's New Air Light Resource Unit

04/02/15 99 W, 1 I - + 9 - 3

From this Atlantic Emergency Solutions Facebook [page posting](#) comes this picture of High Point's new Air Light Resource Unit. Freightliner chassis with body by [Bear-Kat Manufacturing](#), which is based out of their Roanoke Regional Service Center. Features included Scott RevolveAir SCBA charge station and compressor, interior work benches, spare cylinder access from both interior and exterior, reels with air hose and electrical cord, and a Will-Burt LED light tower with dual tilt and wireless remote. Note the new color scheme for High Point apparatus, grey over red.
