

Three Pierce Impel Pumpers Delivered in Wake County

11/26/15 150 W, 1 I - + 20 - 14

Three new 2015 Pierce Impel pumpers have been delivered to three Wake County fire departments: Stony Hill, Wake New Hope, and Wendell fire departments. They were purchased by the county, and spec'ed by each department, from a base spec created for all county fire departments. No factory photos have been posted yet to the [company's Flickr site](#), but Lee Wilson has already photographed each. He'll take proper posed photos soon enough.

- Stony Hill Engine 261
1250/1000/20
Delivered November 24
For Station 1. Replaces 1996 International/KME at Station 1, which will be renamed Pumper 395 and moved to Station 2 as a "second out" engine.
[See more photos.](#)
- Wake New Hope Engine 4
1250/1000
Delivered November 18
For Station 2, to replace Engine 8, 1995 Spartan/S&S, which will be sold.
[See more photos.](#)
- Wendell Engine 112
1250/1000
Delivered November 20
For Station 1, to replace Engine 112, 1995 (1994?) Freightliner/E-One.
[See more photos.](#)
