

## Stony Hill's Mack Before Stony Hill

12/04/15 134 W, 1 I - + 19 - 13

In October, [this photo was posted](#) to the SPAAMFAA Facebook group. Stony Hill's 1954 Mack before it was Stony Hill's. The truck originally served the Independent Fire Company of Westville, NJ, as Engine 77. The 1954 Mack B/Howe 750/400 was bought by Stony Hill in 1974.

They paid \$10,000 for the truck, which was purchased from Slagle's in South Boston, VA. The truck had been modified there with a new 500 gallon booster tank. Stony Hill further modified the truck, with wooden extension to the hose bed. The truck is still on their roster as a parade pierce.

As for IFC in Westville? They merged with Union Fire Company in 1987, which also protected the town. They merged and formed [Westville Fire Department](#). Click to enlarge:
