

Mystery Apparatus from Mystery Town Named Charlotte

12/11/15 80 W, 1 I - + 20 - 14

Found for sale on eBay is this vintage photo labeled "Chrlotte Fire Dept." Does'nt appear to be Charlotte, North Carolina, as the fire station doesn't match their old station photos. That leaves six other towns named Charlotte in Arkansas, Iowa, Michigan Tennessee, Texas, and Vermont. As for the apparatus--probably 1910s era--is it a Knox? Seagrave? Christie retrofit? (Thanks to the [SPAAMFAA gang on Facebook](#) for those suggestions.) Click to enlarge:
