Mr. T. E. Hinson, Mgr.,  
Town of Chapel Hill,  
Chapel Hill, N.C.

Dear Mr. Hinson:

At our regular meeting held on March 4th the volunteer Firemen brought up the question as to whether the Board of Aldermen would consider paying the Volunteers on a per call basis. Some of the other towns are paying their Volunteers on this basis and I will endeavor to find out just how they handle these payments. If the Board would consider this please let me know so that definite plans can be worked out.

Also the question of Volunteer Firemen parking on Franklin Street was brought up. It seems that there are three of the Volunteer Firemen that work in the Business block and when they park their cars in front of where they work they get a ticket for overtime parking. Something definite should be worked out about this so that these men would know just what to do about their cars.

Please take these matters up with the Board of Alderman at the next meeting and let me know what disposition was made.

Very truly yours,

*P. R. Perry, Chief*
