Dear Mr. Hinson:

Following is a report of the activities of the Chapel Hill
Fire Department for the months of September and October 1946.

Oct. 1 6:50 PM Call to Pi Beta Phi Sorority. Dresser burned.
No damage to house. Dresser quite badly damaged. Probable
cause. Cigarette.

Oct. 19th 12:15 P.M. Truck on fire on E. Franklin St.
No Damage.

Oct. 21st. 10:30 A.M. Cleaning fluid back of Carolina Dry
Cleaners on W. Franklin St. on fire. No Damage. Cause: Hot Ashes.

Oct. 26th Call to G. E. Andrews res on W. Rosemary St.
Mattress on fire. No damage to house. Probable Cause.
Cigarette.

There were no alarms during the month of September.

We wish to thank the Board of Aldermen for the fine Fish Fry
given the Department during September.

During Fire Prevention Week the department called fire drills
at both the White and Colored Schools. The time for each was
as follows: White School, approximately 750 pupils 2 minutes
ten seconds. The Colored School approximately 576 pupils
one minute and thirty seconds. I think this time was very good.
All students took their time and there was no pushing or shoving
to get out. I think the principals have the children very well
trained.

We have made an inspection of part of the town and find that every
thing is in very good shape taking in consideration the crowded
conditions in Chapel Hill.

Respectfully submitted,

P. R. Perry
