

Chapel Hill, N.C.
August 14, 1950.

Mr. Thomas D. Rose, Mgr.,
Town of Chapel Hill,
City

Dear Mr. Rose:

Following is a report of the activities of the Chapel Hill Fire Department for the months of June and July 1950.

June 27th 12:40 P.M. Call to Carolina Inn Kitchen. Grease on Stove on fire. No Damage.

June 25th 7:00 A.M. Motor Scooter owned by Gerald Cheek on Fire on Pittsboro St. Scooter was damaged considerably. No Alarm.

July 3rd 2:05 P.M. Auto on fire at A & P. Store. No Alarm. No Damage.

July 3rd 2:10 P.M. Auto on fire at Cor. W. Franklin and Mallett St. No Damage. This was answered on same trip as call to A & P Store.

July 4th 5:30 A.M. Call to North Street. Car on Fire.. No Alarm.

July 4th 5:45 P.M. Call to Park Place Drive, Car on Fire. No Alarm.

At a meeting of the Department held on August 4th the following men were elected as delegates to the Firmen's Convention to be held in Hendersonville, on Sept. 5-6-7-8th. C. E. Vashaw, Delegate, J Thayer Lloyd, Delegate and P. R. Perry, Chief. After checking the expenses of getting to Hendersonville, sleeping quarters, and meals I find that it will take approximately \$50.00 per person. There may be a possibility of the fourth man going, and I would like to ask that enough money be allotted for a possible fourth man. The same agreement as worked out last year with the exception of \$50.00 per man attending the meetings and not over \$200.00 total.

Mr. Burch attended this meeting and explained the new territory taken into the town and what the fire department was expected to do in case of fire in this annexation. I would like to have a fire department representative help in the layout of the hydrants in this new part of the town, also the alarm system to be used. We will have to have new signals as the last signal on E. Franklin St. is now located at the Top of Strowd Hill. This new territory takes in quite an amount of land and several different roads and a complete new set of signals should be used.

The Paid Men at the Station would like to have a letter in Writing to be posted in the Fire Station in regards to the truck going out of town to fight fires. This has been more or less and oral order with nothing for the Firemen to show in case or inquires as to this matter.

Respectfully submitted,
P. R. Perry
P.R. Perry, Chief.
