Chapel Hill, N.C.  
September 24, 1951.

Dear Mr. Mayor:

I am writing to inform you of the action that the residents of  
Greenwood have taken and have planned to take in regard to the  
proposed sewer line in the area which was approved  
by the Board of Aldermen, Town of Chapel Hill,  
Chapel Hill, N.C.

Mr. Thomas D. Rose, Mgr.,  
Town of Chapel Hill,  
Chapel Hill, N.C.

Dear Mr. Rose:

Following is a report of the activities of the Chapel  
Hill Fire Department for the period August 26th thru  
September 23rd, 1951.

There were no fire alarms during this period, but the  
men at the station went out one time to take a man off  
the roof at the New Luthern Church.

Sept 3, 1:32 P.M. Call to come and take man off the  
foof of the New Luthern Church. This man had  
been badly shocked with electricity. No Alarm  
turned in. The men at the station used the  
ladders to help get him down.

The nearest thing to a fire that we had to contend with  
was the chicken stew we had at Brady's last week. Although  
the stew was HOT every body enjoyed themselves.

Hoping that we have more months without an alarm, I remain

Very truly yours,

*P. R. Perry*

P. R. Perry, Chief

Respectfully yours,
