 Committee

President McNeill:

Gentlemen of the Convention, you have heard the report of the Committee on Credentials, naming who are the members of this convention who are qualified to participate in the business of the Convention. Are there any persons present whose names were omitted who have not been heard, who have not been before the Committee, who desire to go upon the roll of this Convention.

Secretary:

Reel Team No. 1 of Kinston has joined the Association today. There has been no Credentials in yet.

President McNeill:

Reel Team No. 1 Kinston got a representative on the floor?

Answered in the negative by the whole house.

President McNeill:

Without objection that report will be filed as a matter of reference in the future work of this Convention.

Wilmington:

The delegation from Wilmington was not heard at all.

President McNeill:

Mr. Secretary, read it over again.

Secretary reads the Wilmington Companies over again.

President McNeill:

Is that right?

Secretary Miller:

"Yes."

President McNeill:

You ought to listen.

President McNeill:

Without objection the report will be filed for any reference it may be necessary to refer to in future.

President McNeill:

The next business is the reading of the minutes of the previous meeting.

Motion that the reading of the minutes be dispensed with; seconded and carried.

Sanford:

There is a little correction in the minutes in regard to Sanford.

President McNeill:

What page please?

Sanford:

On page "109"

President McNeill:

What is the correction you wish to make?

Sanford:

In the Interstate contests on July 29th, 1910 the Horse Hose Wagon Contest, I see the minutes give Sanford as nothing, but at that time, sir, the Sanford team had a record of 30 seconds, and won third money at New Bern. We wish that corrected, sir.

President McNeill:

Sanford is down as making nothing. Did you not win a prize at New Bern?

Sanford:

We won third in 30 seconds.
