

Some slight changes were made in the program in order that the South Carolina teams might get their entries in in time to get through in time to leave at a specified time.

Drawings for position entries read.

The question concerning the Hose Wagon Race was taken up again, and it was moved and seconded that the second and third money awarded in this contest be equally divided between the Wilson and New Berne departments, and no time given. Unanimously carried.

The rules governing the North Carolina State Firemen's Association were read in order that the visiting firemen might be thoroughly familiar with the changes.

Chief Phipps, of Greensboro, read the following resolution and asked that it be adopted ;

Resolved: That it is the sense of this meeting that the President be instructed to buy one racing cart to weigh not less than 100 pounds and the same kept by the Association for the purpose of all hand reel contests, and each and every team be required to use same at tournament in contests for all future prizes.

Seconded.

Moved that the resolution lay over to be brought up at the next annual meeting of the Association. Seconded: carried.

There being no further business to come before the meeting, motion was in order to adjourn; seconded, unanimously carried.
