The College Foundation Loan Fund was increased to one hundred thousand dollars. We have at this time eighteen youngsters making use of this fund.

The newsletter of the Association, started on a trial basis, has been received well enough to make a permanent project. Your participation is appreciated and encouraged.

The Executive Board has requested that Governor Scott reappoint the present representatives on the Pension Board.

Many area meetings were attended by members of the Executive Board with gratifying results.

As you are well aware, there have been great changes in the fire service over the last five years. Time and problems involved will undoubtedly cause many future changes.

The Executive Board, with the able assistance and support of you the firemen of this Association, will make an honest effort to keep abreast of the times.

Let's keep our purpose of serving the people of this great State our main obligation.

Again, I thank each and every one of you for an unforgettable experience.

Respectfully submitted,
W. F. Hudson, President
N. C. State Firemen's Association

August 3, 1971

VICE PRESIDENT BEST: You have heard the President's report. Is there a motion to accept that it's been read?

(The motion was made by Chief Cox; it was seconded by Chief Wallace. The motion was carried.)

PRESIDENT HUDSON: We now have the Executive Secretary's report.

MR. CURTIS FLANAGAN: Mr. President, Gentlemen: This is the Secretary's report year ending June 30, 1971.

(Thereupon the Secretary reads his report.)

say it. If any of you have anything to say, any grievances for the benefit of the Association we will be glad to hear from you.

We will get on with the program as outlined.

We will have a report from the committees at this time. I will turn the Chair over to Chief James Baggett.

CHIEF BAGGETT: It is time to hear the reports, fellows, from different committees. The first one will be the report of our President, Kimble Best.

(Thereupon President Best reads his report.)

PRESIDENT REPORT

Members of the Executive Board, and fellow Firemen.

Fellow Firemen at our Conference at Durham last year, you elected me as President of the North Carolina State Firemen's Association

I am very sincerely and humbly grateful for the opportunity to have served the Firemen of this great state during the past year.

In my opinion this has been a successful year, and the credit belongs to the members of the Executive Board, and I wish to thank each of them for a job well done.

Chief James Baggett, 1st Vice President

Chief Fred Shipton, 2nd Vice President

Chief George Bartlet, Advisory Board

Assistant Chief Jim Parham, Advisory Board

Past President Deputy Chief Bill Hudson

Chief Horace Moore, Treasurer

Chief T. R. Bissett, Statistician

I especially wish to thank the employees of the Association Office in Farmville, Mr. Curtis Flanagan, Secretary and Mrs. Gail Joyner, Secretary to Mr. Flanagan, for their splendid cooperation.

My sincere thanks to our Chaplain the Rev. Herbert D. Garmon, for the wonderful Christian leadership and the many prayers he has offered to God in our behalf.

I wish to express my appreciation to Deputy Chief R. L. Powell, Director Conductor, to Chief Joe Letzing, and Assistant Chief Jim Parham, Assistant Directors of the Fire College and Pump School, and to all of the many instructors who had a part in what could have been the largest attended, best Fire College in the South.

I also wish to extend thanks to our good friends Mr. Elwood Inscoc, Director Fire & Rescue Service Division, to Keith Phillippe, Dept. Community College and their staff on professional fire instructors for training our firemen throughout the state.

It is recommended by me that all present and future employees of the N.C.S.F.A. be included in the N.C.S. Teachers & Employees Retirement System.

Secretary Flanagan and one assistant has kept our office in Farmville over the past 17 years operating in an efficient manner. If you haven't visited in Mr. Flanagan's office, you just can't imagine how much business is transacted there.

I have traveled more than 7,000 miles and attended 32 meetings during the year.

Let me say in closing I hope that I may be of some useful service to the Firemen of this great state.

Thank you again from the bottom of my heart for your many blessings to me, and may God bless and keep you always.

Respectfully submitted,
Kimble Best, President

CHIEF BAGGETT: Do I hear a motion for the approval of this report? (Chief Jernigan makes the motion to accept the report; it is seconded by Mr. Tadlock. The vote is called; the motion is carried.)

CHIEF BEST: Thank you, Chief Baggett.

The next report will be the Secretary's report, Curtis Flanagan. (Thereupon Mr. Flanagan reads his report.)

PRESIDENT BEST: Will someone make a motion to approve the minutes of the Secretary's report?
(Mr. McMann makes the motion to accept the report; it is seconded by Mr. Jernigan. The vote is called; the motion is passed.)
PRESIDENT BEST: As you know that will be in the annual report that will be out shortly.
The next report will be from our Treasurer, Chief Horace Moore.
CHIEF MOORE: Thank you, Mr. President.
Gentlemen, I would like to read you a statement from the auditors, the report of the certified public accountants.
(Thereupon Chief Moore reads the report.)

NORTH CAROLINA STATE FIREMEN'S ASSOCIATION
BALANCE SHEET--ALL FUNDS
June 30, 1972

promote education in public fire protection; and to do any and all things necessary and proper for the benefit of member organizations in the administration of their affairs. (end of objectives.) I will not try to convey to you that the Council is a perfect organization. In my opinion, it is a step in the right direction for better cooperation and understanding of the North Carolina State Firemen's Association, the North Carolina Association of Fire Chiefs and the North Carolina Fire Marshal's Association. I am sure that this organization can be improved, will grow and be an asset to the firemen of North Carolina if we are sincere in our efforts.

During the month of September, 1972 Mr. Ben Loweb, Jr., Assistant Director with the Institute of Government in Chapel Hill, came before the Executive Board and stated that the Fire Laws relating to Fire Service, printed in 1966, had been updated and was ready to be published. He stated that because the budget had been spent, funds were not available to print and make available the Fire Laws to Fire Departments. He requested that the North Carolina State Firemen's Association provide funds to have the Fire Laws printed and sent to all Fire Departments. The Association provided funds for this project in the amount of \$2,500.00 and copies were sent to all Fire Departments.

During the last year or 2 the Chief's Association, in cooperation with the League of Municipalities, have been working with the Uniform Records and Reporting System for Fire Departments. The material for this Records System had been completed in September, 1972 and was ready to be printed. The League of Municipalities applied for a federal grant from the Civil Service Commission under a Technical Assistance Program authorized by the Intergovernmental Personnel Act of 1970. This application was turned down because of insufficient funds. However, the Civil Service Commission informed the League that when funds were available it would probably be approved some time during the year 1973. In order to make this Records System available as soon as possible, the Chief's Association and Firemen's Association provided the necessary funds to publish the Uniform Records and Reporting System for Fire Departments and copies were mailed to each Department. Some time during the year 1973 the federal grant was approved and both Associations were reimbursed their portion of this expense.

The North Carolina Fire College and Pump School was held in Shelby June 4 thru 8, 1973. According to the Director, Chief R.L. Powell, this was one of the largest schools that we have had. Chief Powell and his committee are to be congratulated on a job well done. I would like to thank Chief Al Miller, his personnel and the City of Shelby for hosting this school and doing such a fine job. I would also like to thank the Department of Insurance, Deputy Commissioner Elwood Inscoe, Department of Community Colleges, Keith Phillippe, Director of Fire Service Training and the many fine instructors of these departments for making the School such a success. A special thank you to Mr. Kenneth Scott, former Chief Engineer of the North Carolina Fire Insurance Rating Bureau for his contribution to this school.

On July 10, 1973 the Finance Committee of the Firemen's Association had a meeting with the Trust Department of First Citizens Bank and Trust Company in Raleigh. At this time we authorized the Trust Department to dispose of 3 and 4% low interest stocks. The Trust Department recommended that the money be re-invested in 7 and 8% government bonds. This would double the amount of interest paid on the Association's investments.

We have had a most successful legislative program during the year and I would like to thank the members of the General Assembly and all other persons who helped get legislation passed for the firemen of the state. I would like to especially thank the State Auditor, Mr. Henry Bridges, for his part in getting the legislation passed concerning the Firemen's Pension Fund. If the firemen of this state ever had a dedicated friend, it is indeed Mr. Henry Bridges.

I would like to thank the Executive Board for their fine cooperation and dedication during my year as President of this Association. I can assure you that no President ever had a more dedicated Board to work with than I have. I would like to thank Mr. Curtis Flanagan, Executive Secretary, and Mrs. Gail Joyner, Mr. Flanagan's Secretary, for the fine cooperation they have given me during the year and the excellent job they are doing in the Home Office. It has been a sincere honor and privilege to serve the firemen of this state as President of this Association. I have made many friends and, hopefully, few enemies. It is my hope that I have conducted myself and the business of this Association to justify the confidence you placed in me by supporting me for President of this great Association. May the good Lord bless each and every one of you.

Respectfully submitted,
James F. Baggett
President

CHIEF SHIPTON: Do I hear a motion we accept President Baggett's report?

(The motion was made by Glenn Jernigan; it was seconded by Vance Lewis. The motion was carried.)

PRESIDENT BAGGETT: The next report we will have is that from our Secretary, Mr. Curtis Flanagan.

(Thereupon Secretary Flanagan reads his report.)

PRESIDENT BAGGETT: Thank you, Mr. Secretary. Do I hear a motion we accept this report?
 (The motion is made by Chief Kimball Best; it is seconded by Mr. Sigsby Tadlock. The motion is carried.)
 PRESIDENT BAGGETT: The next report we will have will be of our Treasurer, Mr. Horace Moore.

of being a fireman. I also attended the funeral of Captain Berry Gibson of Charlotte, and former Chief Jesse Helms of Monroe.

Taking this opportunity to thank the members of the Board for their fine cooperation during the past year, I would also like to say Thanks to Chief R.L. Powell and his associates, Chief Letzing and Chief Parham for the fine Fire College and Pump School that was held in Shelby, along with the members of the Insurance and Rescue Department and the Community Colleges, and of course, our host Chief Al Miller, and his men; to everyone who helped make our school a success, and most of all you students who attended. To all of you, I say, a job well don! Also to Mr. Henry Bridges and Bernie McKenzie, who are always eager to be of service, I thank you.

While stepping aside as your President, I want you to know that in the future, if I can help or be of any service to you please feel free to call on me.

Sincerely,
Chief Fred Shipton
President

CHIEF HARRELL: You have heard the President's report. Do I hear a motion that it be accepted?

(Mr. Davis, Cleveland County, makes the motion, it is seconded by Barry Smith, Lafayette Village. The motion is carried.)

PRESIDENT SHIPTON: Thank you, Robert

I would like to say, if the gas gets more plentiful, I will still be on the Board for one more year, so please send those invitations. Maybe I can get around. I had a bad year with this gasoline proposition.

Next we will have the report of the Secretary, Cutis Flanagan.
(Thereupon Secretary Flanagan makes his report.)

CHIEF FLANAGAN: Gentlemen, I have this report to you to go in annual minutes. There is something I would like to comment about at moment.

Here of recent weeks there has been an added duty taken by Department of Insurance, and a man has been assigned to help these departments get a rating. This has been going on just a matter of a few weeks, but are already seeing the effect of it in the state office. I just wanted to comment at least to that degree, about what is happening.

PRESIDENT SHIPTON: Thank you, Curtis. Do you have a motion this report be accepted?

(The motion is made by Chief Monseese; it is seconded by Mr. Butler. motion is carried.)

PRESIDENT SHIPTON: At this time I will call on the Treasurer, Ho Moore, who will in turn call on Mr. Bridges.

CHIEF MOORE: First I will read a letter to you addressed to the Executive Committee from the State Association from Peale and Shackford, Certified Public Accountants.

(Thereupon Chief Moore reads his letter and report.)

Executive Committee
North Carolina State Fireman's Association

We have examined the balance sheets—all funds— of the North Carolina State Firemen's Association as of June 30, 1974 and the related statement revenue and expenses, and changes in fund balances—all funds—for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in circumstances.

The Fire College was held in Rocky Mount this year and it was the best one yet. I would like to thank Chief R.L. Powell and his staff for a fine job, Elwood Iscoe and his staff, Keith Phillips and the Department of Community Colleges, and Chief John Sykes and the Rocky Mount firemen, also, Nash and Edgecome County firemen. I would like to give a special thanks to Chief Joe Letzing, Assistant Director of the Fire College, for this was his last year. He has done a fine job over the past years.

I want to take this opportunity to thank the members of the Executive Board for their help and cooperation during the past year.

It has been my pleasure to be able to go to each of the association meetings around the state. This has meant a lot to me. You can rest assure that tomorrow morning when I step down as your president that I will continue to do everything possible to make this association even better.

In closing, I would like to thank each member of this association for your help and support for if it was not for you being out there I would not be up here. Again, let me say thank-you.

(Applause.)

CHIEF PARHAM: Gentlemen, you have heard the report. Do I have a motion that we accept the report?

(The motion is made by Carroll Sullivan.

The motion is seconded by Jim Baggett. The vote is taken; the motion is carried.)

PRESIDENT JOYNER: At this time we will hold our reports for just a minute. I believe Ed Moore, Craven County, New Bern Fire Department, has something he would like to present at this time.

CHIEF ED MOORE: Mr. President, members at the head table, Distinguished Guests, Ladies, and Fellow Firemen: It gives me a great deal of personal pleasure on behalf of the Firemen's Association and Auxiliary thereof to present this organization a check for the benefit of the North Carolina Burn Center. So at this time I would like to present this check in the amount of \$1,000.

(Applause.)

PRESIDENT JOYNER: Thank you, Ed. We appreciate that a whole lot.

At this time I call on our Secretary, Curtis Flanagan, for his report.

SECRETARY FLANAGAN: Thank you, Mr. President.

(Thereupon the Secretary reads his report.)

PRESIDENT PARHAM: Do I have a motion to accept the Secretary's report?
 (The motion was made by Ben Williams; seconded by James Thomas. The vote was called; the motion was carried.)

PRESIDENT PARHAM: We will now have our Treasurer's report.

CHIEF MOORE: Thank you, Mr. President. Fellows, if you have anything to say, speak up. Our Recording Secretary is having problems hearing you and she wants to get everything in the Minutes, and I am sure you want everything there.

I am happy to make this report to you. I think we have had one of the best years in the history of our association — at least we have more money than we have ever had, and that is a pretty good sign.

We have three funds in the North Carolina State Firemen's Association, as I have told you in the years before. One is a general fund that we operate our association out of; we have the fraternal insurance fund, and the balance in this fund represents the moneys that were left when we turned the insurance over to the Boston Mutual Life Insurance Company. These funds will be used to pay death benefits to those members who were over 75 years old at the time we turned the insurance fund over to Boston Mutual, and we have the Relief Fund, which is your State Relief Fund, that you can call on if you exhaust your Revenue Fund, and we are also at this time paying for one scholarship, and we will start another one this year according to the wishes that you expressed at your last conference.

In our General Fund the balance, we show an increase of 10.55 percent over last year, or an increase, a net increase of \$26,665.48.

At the present time our assets are as follows.
 (Thereupon Chief Moore reads from his report.)

July 27, 1977

Executive Committee
 North Carolina State Firemen's Association

Dear Sirs:

I have prepared fifteen copies of the North Carolina State Firemen's Association audit report for the fiscal year ended June 30, 1977 and fifteen copies of The Firemen's Fraternal Insurance Fund of the North Carolina State Firemen's Association audit report for the fiscal year ended June 30, 1977. These reports were turned over to Horace Moore, Treasurer, to be delivered to you.

All records of the Executive Secretary and the Treasurer were made available. Their cooperation during the performance of the audit was very helpful.

The fund balance of the General Fund increased by 10.55% or \$26,665.48 during the fiscal year ended June 30, 1977. Investments by the Treasurer earned approximately 8% during the year.

The fund balance of the Relief Fund increased by 14.86% or \$74,132.56 during the fiscal year ended June 30, 1977. Investments by the Treasurer earned approximately 8% during the year and the Trust Account managed by First-Citizens Bank and Trust Company earned approximately 5% during the year.

The Firemen's Fraternal Insurance Fund still appears to be actuarially sound at this time. The fund balance of \$205,647.80 is available to provide coverage of \$163,600.00 to the remaining 110 members over age 75 at August 1, 1975. The remaining amount of \$42,047.80 will be used along with commissions from Boston Mutual Life Insurance Company and earnings from investments to pay premiums in excess of \$2.20 per month for members in the 65-75 age group at August 1, 1975. Investments by the Treasurer earned approximately 6.5% during the year.
